NAPA, CA – The Napa Superior Court recently completed efforts to modernize its jury management system to provide additional service options to the public, including a redesigned juror summons, an interactive text reminder system, and touchless check-in kiosks at the courthouse.

Beginning the week of April 26, 2021, prospective jurors in Napa County will receive a newly designed juror summons updated in the form of a folded double-sided postcard that provides easy-to-read reporting and parking information, along with multiple ways to check juror status and/or update juror records using the court's website, text messages, or by calling Jury Services. Using a unique juror badge number located on the summons and date of birth, prospective jurors can check their juror status in 3 easy ways:

- 1. VISIT** www.napa.courts.ca.gov and select Jury Service to:
 - Sign up for text or telephone reminders;
 - Verify or update personal information;
 - Request a postponement, disqualification, or excusal from service; or
 - Upload required documents to support disqualification requests.
- 2. TEXT** 707-204-0289 to use the interactive text service.
- 3. CALL** 707-299-1150 for assistance from Jury Services.

These service enhancements are in addition to the touch-free check-in kiosks the court implemented earlier this year to provide added health and safety measures for jurors and other court users when coming to court for jury service. Please note that facial coverings, social distancing, and other public health guidance remains in effect as part of the court's pandemic response and can be expected when visiting the Napa County Superior Court.
